### ADDENDUM NO. 3

TO: ALL PROSPECTIVE OFFERORS

REFERENCE: RFP2000002041

TITLE: Physical Examinations and Medical Evaluations

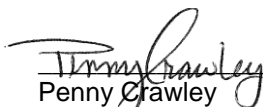

DUE DATE/TIME: January 6, 2017 at 10:00 A.M.

The referenced Request for Proposal (RFP) is amended as follows:

The last day to submit questions was December 30, 2016. The following is the answer to a question received regarding this RFP:

- Q1. Within the RFP it states the need for psychiatric evaluation. Could you confirm if a psychiatrist is required to perform these evaluations? Is it possible to obtain a blank copy of the psychiatric paperwork that should be filled out? This should provide us with all the requirements.
- A1. The mental health provider must be either a licensed psychologist or psychiatrist depending on the type of assessment determined by the referring medical professional's initial mental health assessment, and review of the summary statement of concern/issue received from FCG/FCPS management. No paperwork sample is available; providers will provide the intake and reporting forms to document.

All other terms and conditions remain the same.
